Meeting began at 10:00 A.M. There were not enough members present for a council.

Due to the fact that there were not enough council members present for a quorum some informal discussions were held. Discussion was held on Council memberships, election of a new Chair and Vice Chair, and the Non-Affiliated Fire Service Training Program (RCA), and the Councils decision of recommendations that needs to be presented to the Fire Prevention Board for resolution at the May 13, 2008 Board meeting.
